

»HIDEAWAYS«

Let your
car disappear!

WÖHR makes it all possible.

**Adapt the available space
to your needs!**

The choice is all yours.

Make your selection!

More space for living with the »Hideaway« variant.

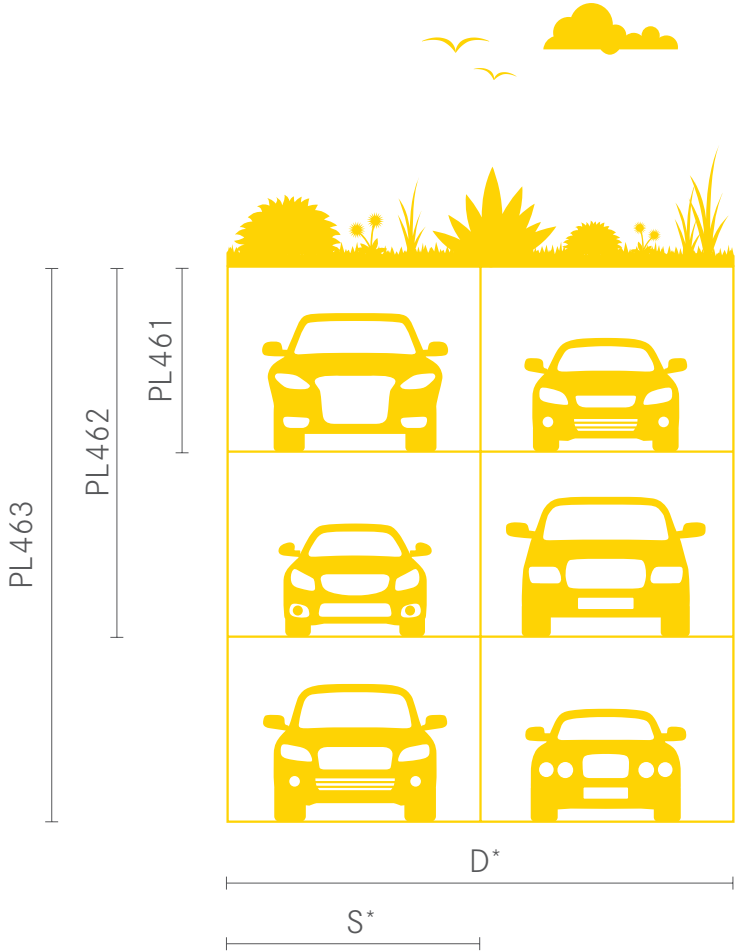

Product diversity tailored to meet your specific needs.

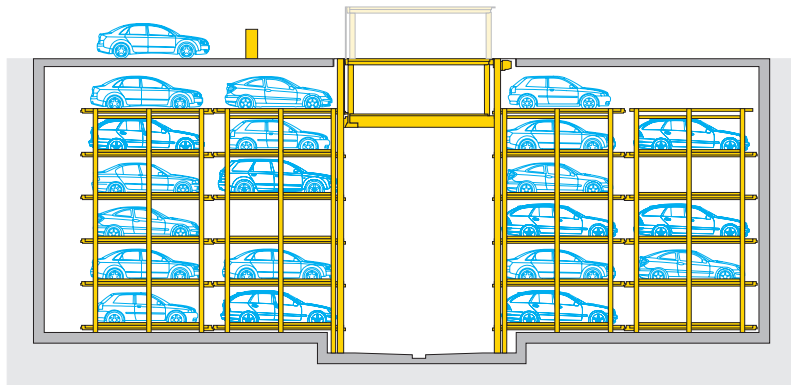

The WÖHR Parklift 461, 462, 463, Slimparker 557 and Crossparker 558 allow cars to be parked out of sight, below ground.

WÖHR systems offer you a wide variety of options.

PARKLIFT 461 – 463

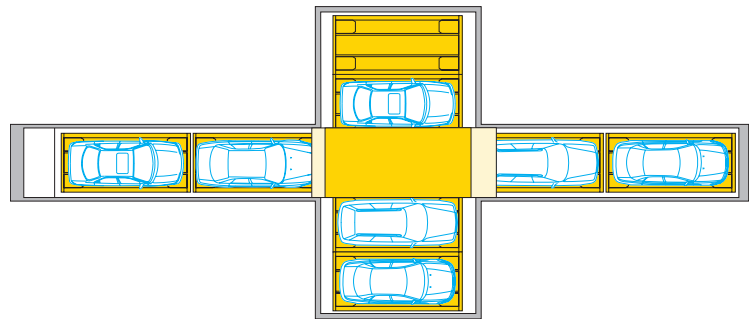

*S = Single unit
*D = Double unit

SLIMPARKER 557

CROSSPARKER 558

Cavernous hideaway parking solutions.

The Slimparker 557 and Crossparker 558 can accommodate up to 23 cars spread out on 6 levels and are well suited to extremely narrow and long spaces.

Hide your bins too!

The aesthetic solution for your home – hide away your waste bins with WÖHR.

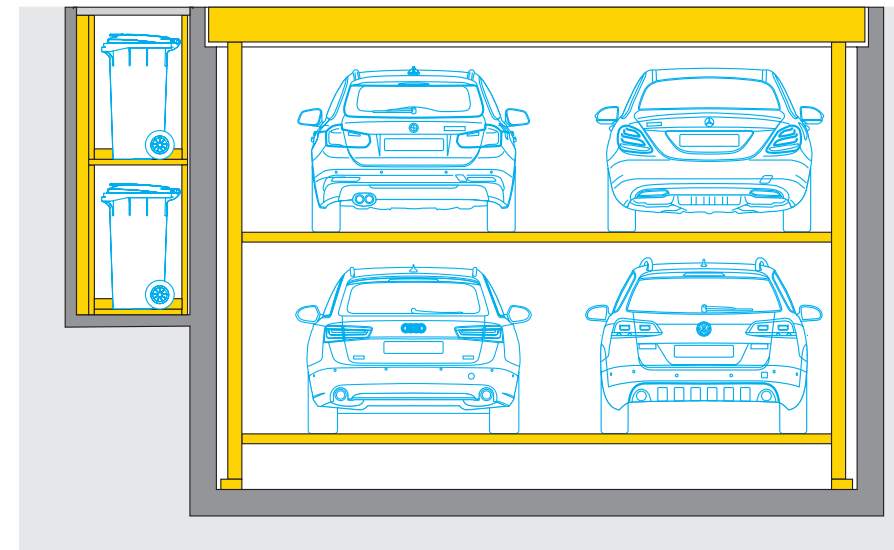

Just like that! Elegant, aesthetic and invisible.

Great in combination with our hideaway systems:

Create additional space with the WÖHR WASTE LIFT.
With a small additional pit you can also store your waste bins invisibly underground.

WASTE LIFT for up to
10 waste bins

WÖHR PARKLIFT
462 D

Stuttgart, Germany

Stuttgart, Germany

Kornthal, Germany

Kornthal, Germany

Lake Garda, Italy

Munich, Germany

Example installations and much more.

Should you be in need of additional parking spaces, arrangements can also be made to park on the roof of the garage (clearly defined separation from the surrounding area) – with or without a carport.

Kornthal, Germany
